

A Message of Appreciation

We would like to express our heartfelt appreciation and thanks to **Max Building Services Ltd** for their generous support and funding of our SEND Parent Carer Forum in Greenwich!

Your contribution plays an important role in helping us continue to support SEND families, strengthen parent carer voices, and create opportunities for families to connect, share experiences, and influence positive change within our community.

We are truly grateful for your commitment and for recognising the importance of supporting children and young people with special educational needs and disabilities. Your generosity helps us continue our work towards better inclusion, support, and outcomes for SEND families.

Thank you for being valued partners in our journey.
